

Oak Hollow Community Council Meeting Minutes
Friday January 26th 2018
2:30 p.m.

Members present:

Julie Mootz
Andrea Bowers
Sebastien Levitre
Sandy Bodily
Natalie Snow
Rachelle McMullin

SNAP Plan

- Safe walking-same as last year
- We can make changes.
- District denied capital improvements for parking lot. Julie will resubmit it again next year.
- Written into plan: Signal at Vestry & Adobe Road. Or at least a 3 way stop to slow down the traffic of the street.
- Julie is requesting from District for a bus by the fire station.
- All agreed to the plan and will sign.
 - Asked all members to sign paper before they leave.

Discussed Cell Tower approval:

Our new Behavioral Assistant Jason Brown. His job duties and procedures.

- Requesting to approve for paying him for an extra 8 hours a week from Cell Tower.
 - 8 hours extra a week now added on to his already 20 hours, totaling 28 hours a week. (20 hours from 0050, and 8 from Cell Tower)
 - It would total about \$1000.00 extra from Cell Tower this year.
 - He is doing a fabulous job and we are seeing a lot of success.
 - Good for students that need extra attention.
 - He is keeping kids on track for behavior.
 - Presented it last month for Cell Tower to possibly pay for an additional 8 hours a week.
 - It was approved by all members of the SCC.

Land Trust Plan:

- Thinking about Teachers setting goals instead of Principal for their grade level.
- How teachers want money spent.

- Must show data
- Can't use for Bus Duty

Talked about interventionists paid by Land Trust:

- Sebastian Levitre mentioned that more interventionists could be used for math.
- All interventionists are doing well keeping up with needs of students.
- Sebastien Levitre had an idea about interventionist's working with higher level students and lower level students with the teachers. (Teachers know their student's individual needs and can focus on those needs)
- Discussed how our funds are spent (gave handouts)
- Discussed how everyone feels about IXL program.

Professional Development Days

- This year would like to use one of our Professional Development days to pay for a sub for Madam Givone to go to Utah Science Conference.
- Use the rest of our Professional Development days for subs for our Dual Immersion teachers during Parent Teacher Conferences.
- All were approved by SCC.

Next meeting is February 9th 2018.

We will discuss Land Trust money and approve it for next year 2018-19.
