Friday, March 22nd 2019
2:45 p.m.

Members present:

Julie Mootz

Tami Owen

Sebastien Levitre

Elizabeth Ratliff

Erin Seibel

Sandra Bodily

Absent: Natalie Snow and Misty Larson

Data

Discussed and shared our data on behavior and attendance. (Handout)

- We saw a decline in attendance since November.
- Only 60% of students are here all the time on average. Our goal is 75%.
- Every month attendance seems to be decreasing more.
- Flu and other sickness have hit school hard.
 - Getting certificates from our attendance program is important to most of the students.
 - Discussed how many parents don't understand how much their students have missed.
 - We will keep doing our monthly attendance program. 9 or less for academic success.
 - Julie will have handbook next year for students. Will have rules of attendance and visual tracker for parents to put on fridge, so they can use it to see how much their student has missed. Julie will have all students sign, at the beginning of the year.

Land Trust

- Will purchase English Language Arts & Science materials, supplies, and curriculum, to bring up standards for teaching students in both of these areas.
- Reviewed plan again. There were no concerns.

Everyone agreed upon and signed Land Trust CSIP plan for next year's 2019-2020 School year.

- Parents thanked committee for adding science goals.
